SAMPLE PACKAGE

15 Nights, Passport to Paradise

5 Nights Manado / 5 Nights Bangka / 5 Nights Lembbeh
28 Guided Boat Dives with Nitrox

US\$ 5,020 per person based on double/twin occupancy

Dear XYZ and Friends,

Experience a Passport to Paradise in North Sulawesi

Passport to Paradise is a unique diving experience which allows you to explore three distinct diving destinations in one trip. You'll have just over 150 dive sites to choose from and with seamless boat diving transfers from resort to resort there's no gear packing, no wasted transfer days, just relax, enjoy and dive, dive, dive.

We have created a sample package which is based on providing you with the opportunity to experience the diversity of North Sulawesi. This package allows you to enjoy our friendly-luxury service and have a fun, flexible, and relaxing stay.

Day 1 | Arrival Day

Our staff will welcome and escort you to our resort. The car journey time is between 45 minutes to 1 hour. Upon arrival at Murex Manado you'll be greeted with a welcome drink & snack. We will show you to your room for a quick refresh before a welcome briefing. Dinner is served at 7 PM.

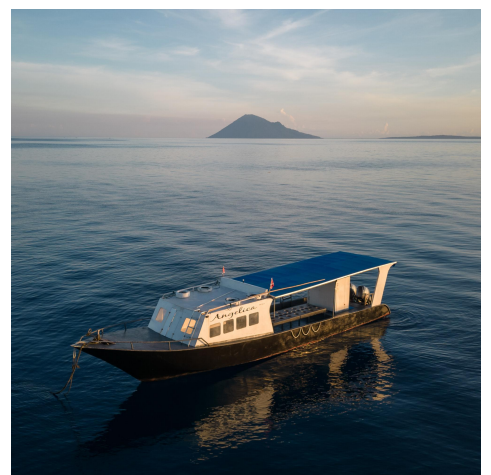

Day 2 | First Day of Diving

Coffee is available starting from 6:30 AM and breakfast is served from 7 AM. To give everyone plenty of time to get ready, we suggest the boat departs at 8.15 AM for 2 dives in the Bunaken National Park. Enjoy great walls and our resident sea turtles. Light refreshments are served on the boat in between dives and we return to the resort for lunch. Optional afternoon, night and blackwater dives are available.

Day 3-5 | Diving Day

Boats depart at 8:15 AM and we will return to Bunaken for 2 more morning dives. Lunch is served at the resort. The afternoon is 'free time' so you can chose to relax at the pool, take a city tour of Manado, or opt for one of our other tours and activities (see pages 8 and 9).

Day 6 | Manado to Bangka

This morning you'll make your first Passport to Paradise boat transfer from Murex Manado to Murex Bangka Resort. During the boat transfer you'll make 2 dives along the way. The dive sites are between both locations and are not often accessed by other resorts.

Day 7 | Diving Bangka

Boats depart at 8.15 AM and we'll make two reef dives around Bangka Island. Lunch is served at the resort. Options for afternoon, night and blackwater dives are available - or you can choose to simply relax in a hammock and enjoy the white sand beach.

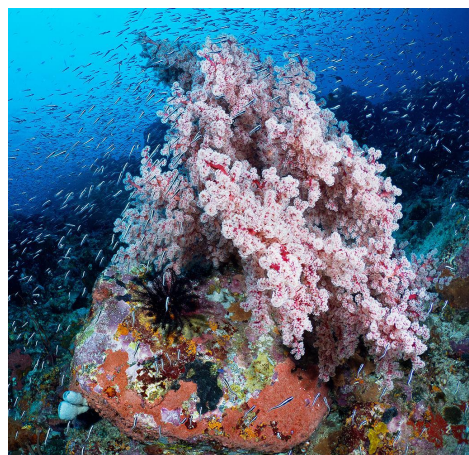

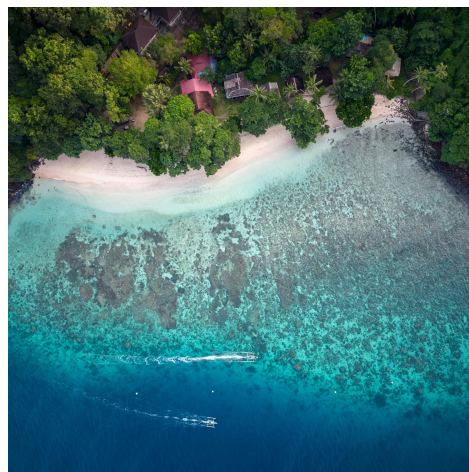

Day 8-10| Diving Bangka

Today we plan 2 morning dives and return to the resort for lunch. You can take our popular guided trek to our local village of Lihunu which showcases the local way of life and cultural aspects of North Sulawesi. Or you may prefer kayaking through the mangroves which is extremely peaceful. The mangroves create a natural sound barrier to the outside world. A chance to be amid nature while on the water with unique opportunities for spotting tropical birds.

(The Lihunu tour is in addition to your package however kayaking is included)

Day 11| Bangka to Lembeh

Your second Passport to Paradise boat transfer from Murex Bangka to Lembeh Resort. Once again you'll make 2 dives at remote dive sites along the way.

Day 12-14 | Diving Lembeh Strait

Enjoy 2 morning muck dives with the weirdest critters on the planet including Hairy Frogfish, Flamboyant Cuttlefish, Blue Ring Octopus, Hairy Shrimp, Mimic Octopus - and the list goes on! Lunch is served in the restaurant at Lembeh Resort

Alternatively, make a 3 dive trip further afield, with lunch served on the boat. This is a great way to combine Lembeh Strait muck diving with reef diving.

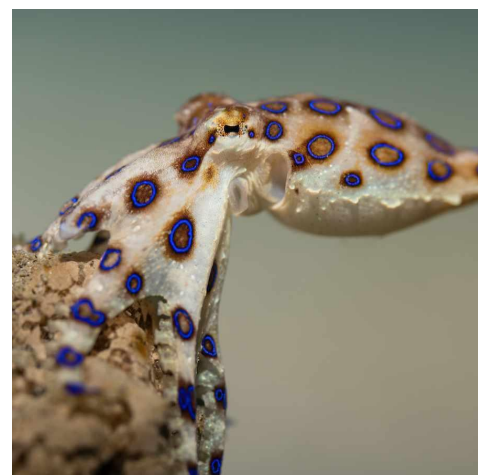

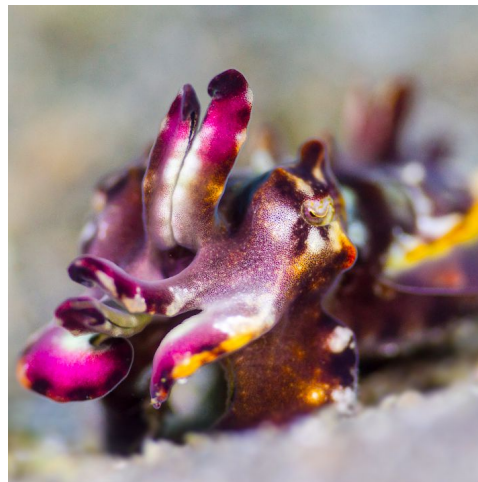

Optional afternoon, night, blackwater or bonfire dives are also available.

Day 15 | Final Day

You can choose to relax on your last day or you may prefer to take one of our tours. Our tours are a great way to experience the culture and see the stunning natural beauty of North Sulawesi. More detailed information about our tours can be found at the end of this document. We can also tailor make tours according to what you wish to see.

Day 16 | Farewell

You may want to complete your stay with a relaxing full body massage before you pack to go home. According to your flight time, we'll transfer you back to the airport and wish you a fond farewell and safe travels!
